6/28/11****LOCAL GOVERNMENT: CITIES**

Provides that every city with a population of less than 150 people as of January 1, 2010, would be disincorporated as of 91 days after the effective date of this act, into that city's respective county, unless a county board of supervisors determines, by majority vote within the 90-day period following enactment of these provisions, that continuing such a city within that county's boundaries would serve a public purpose if the board of supervisors determines that the city is in an isolated rural location that makes it impractical for the residents of the community to organize in another form of local governance. Requires the local agency formation commission within the county to oversee the terms and conditions of the disincorporation of the city, as specified. Becomes operative only if AB 781 of the 2011-12 Regular Session of the Legislature is enacted.
