

Central Area Training Opportunity

Signature Verification Training

Larry Liebscher, a Forensic Document Examiner with over 30 years of experience in handwriting examination, will be in Stockton to present training to more competently validate signatures. Everyone is welcome to attend this training.

Mr. Liebscher has requested that you come to training with a notepad and a laser pointer if you have one. The pointer will assist you should you have questions regarding specific issues with a signature. Registration deadline is May 22, 2015. Cancellation after this date may result in a forfeiture of your registration fee. Please complete a registration form for each attendee.
