Dear Exhibitors:

Please accept this invitation to attend the 104th Annual Conference of the California Association of Clerks & Election Officials. The conference will be held from July 17-20, 2012, at the Sheraton San Diego Hotel & Marina, San Diego.

In recognition of the demands our membership faces in preparing for and performing their respective jobs, we have established a conference theme of wellness – “Live Well, San Diego”. We will focus on the health and well-being of our members.

As you may know, the Annual Conference is geared mainly for the Principals and Deputies in each county – the decision makers! The Association extends an invitation to all displaying exhibitors to join us Tuesday night at the Welcome Reception and by separate registration, San Diego Bay cruise, dinner and installation of officers, Thursday night.

Our host hotel, The Sheraton San Diego Hotel & Marina offers an unrivaled location on the city's prestigious Harbor Island, set upon spectacular San Diego Bay. There is easy access to all the area has to offer. The hotel is within ten minutes to the many dining, shopping, and nightlife options of the historic Gaslamp Quarter, as well as the San Diego Zoo, Little Italy, Balboa Park, and the San Diego International Airport. Plan to come early or stay after the conference to explore all that San Diego and Southern California have to offer!

We encourage you to take advantage of the opportunity to meet with past, present and future clients, with User Groups and Hospitality functions. Please note the agenda for Thursday 3-4:30 has been blocked specifically for Election exhibitor activities as well.

Don't delay, register soon. Refer to the Conference Information Sheet enclosed for more details and important dates to note. If I can be of assistance, please do not hesitate to contact me.

On behalf of our host, San Diego County Clerks & Election Officials let me welcome you to the CACEO “Live Well – San Diego” Conference. We look forward to seeing you!

Chrissi Keller  
Conference Coordinator
