VOTER'S CHOICE ACT

NEXT SCHEDULED ELECTIONS:

Primary – June 5, 2018

General – November 6, 2018

Sacramento County is preparing to implement the Voter's Choice Act (Senate Bill 450) to expand voting opportunities for the voters in our community. This Act replaces traditional Election Day polling places with "Vote Centers" where any voter within Sacramento County can vote at any designated location starting 10 days before Election Day. This Act would also increase the number of ballot drop-off locations starting 28 days before Election Day.

Our department is looking to gauge the interest of our existing polling places to serve as Vote Center locations for future elections; would your facility be willing to serve as a Vote Center? For the full eleven days? For four days? Or would your facility prefer to participate as a Vote by Mail Drop-Off Location? Please let our survey team know!
